# Mrs. Pietro

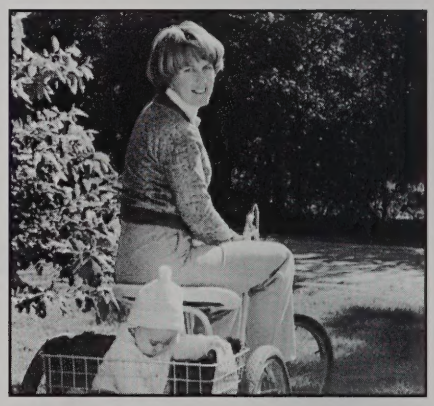
"My class and her had many great moments. Mrs. Pietro, the one who thinks that there can't be love at first sight. Do you need another countdown?"
-Allison Blacker

Linda Pietro will be greatly missed as a teacher and colleague. Whenever my students demonstrated superb grammar skills, I knew they had Mrs. Pietro as a teacher. Students enjoy being in her classes because Mrs. Pietro adeptly balances the fine line between good discipline and humor.

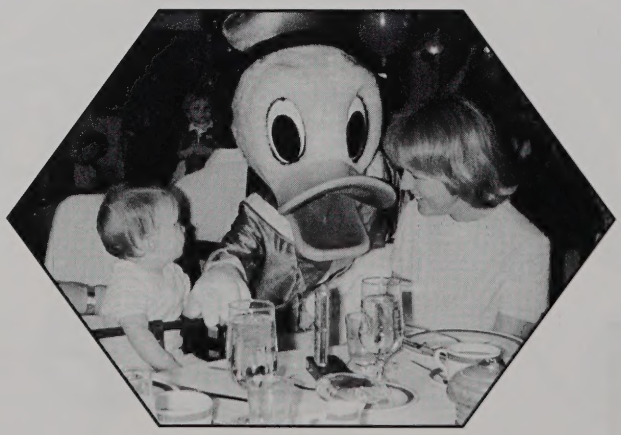
As a co-worker, I shall miss her smiling face, dry wit, and caring conversation. I wish her love, light, and laughter in her well-deserved retirement.

-Ms. Chamberlain

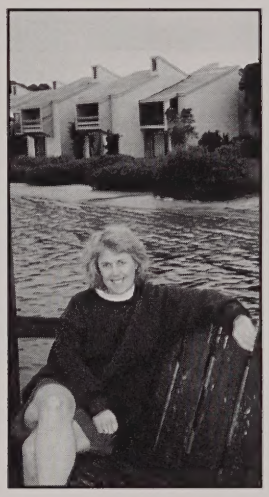
"She's transformed me from the immature young freshman I used to be, into a responsible mature senior." - Jeremy Hill



"She made Romeo and Juliet fun, and usually I don't like Shakespeare. Besides the vocab, I really liked her class." -Melanie Papageorge



"I had Mrs. Pietro for English in ninth grade, and she's always been one of my favorites." -Aja Carlson



"Mrs. Pietro will always be one of my favorite teachers for all time. Having her as a teacher made my freshman year fun. I won't be copasetic without her next year." -James Mastro

"I had Mrs. Pietro and she was one of the best teachers I ever had. I loved her class." -Nicole Wyllie

"She was an inspiration to us all and is truly a nice person. She's dedicated to her students just as much as she is to her work." -Kim Gulino

"She's really nice and has helped me develop into an intellectual human being." -Chris Kowal

# Senior Breakfast/Skit

The seniors had high expectations for the senior feast. Unfortunately, it wasn't what they expected. It was even better. The senior breakfast was catered for the second year in a row. We had breakfast, hung out with friends, and just had a good time. After that, we were treated to the annual senior skit, which was funny and entertaining. To top it off, we ended with the senior picture. The senior feast was amazing and overall the day was awesome.

Mr. Cloutier speaks to the crowd

Where am I going?

The senior class hypnotist show was a great hit. Fran Cloutier held the show for his 18th year. He started the show off with a 25 minute relaxation exercise. Brought onto the stage and hypnotized were Chris Thompson, Amanda Benson, Angela Maglione, Meghan McGee, Sarah James, Kasia Malkiewicz, Bridget Lever, Monique Porter, Stacy Evans, Matt Brunelle, Keith Weagle, Courtney Rheault, Peter Brennan, and Gary Taing. Awoken from the hypnosis were Gary Taing, Amanda Benson, Monique Porter, Matt Brunelle, Peter Brennan, and Chris Thompson.

Later during the show Melinda Belisle became hypnotized and was brought onto the show. Keith Weagle used all his might to try to pick up a $500 bill and he dragged himself across the floor. The crowd enjoyed a few laughs when Bridget Lever acts as the material girl Madonna. The crowd went hysterical as Stacy Evans announced she is 9 months pregnant. Meghan McGee and Angela Maglione had the time of their lives dancing together on stage and Kasia Malkiewicz joined in with them. Bridget Lever tried to go back to her seat, but couldn't seem to remember where her seat was. Courtney Rheault was convinced that she was not hypnotized, although everytime the hypnotist would say the words "God bless" she would run after him and kiss him. The audience was jumping out of their seats watching this show. The senior class really enjoyed this spectacular performance.

# Pep Rally

Jen, Meghan, Kaley, and Shannon

Melissa MacGrory takes a break.

This year's homecoming was our first pep rally that the students were allowed to fully decorate the gym. Each sports team was recognized and the gym was filled with class pride. The freshmen class theme was "The Freshmen Bunch," the sophomores' was "Gilligan's Island," the juniors' was "Happy Days," and the seniors' was "How the Grinch Stole Homecoming." The seniors won first place, the sophomores second, and the juniors third.

Our Thanksgiving day pep rally was loud and cheerful. the highlight of it was the sleeping bag drag race. The football players and cheerleaders decided to switch roles for the pep rally and they exchanged uniforms. The cheerleaders did a part of their competition routine for the students. This year's pep rallies brought our school together as one and the students enjoyed them very much.

Being on the yearbook staff is a fantastic experience! Creating such a huge project throughout the entire year is a lot of fun, though incredibly stressful. Deadlines can become the staff's worst nightmare, but somehow we pull through!

Working with a small group of people is great because it causes new and strong friendships to form. Nothing forces people to unite better than the constant fear and reminder of the next big deadline!

# The Scribes

This was my last year as editor and hopefully I'll be able to pass the torch on to someone else. The Ledger had a difficult time getting the first issue out but it's always worth the effort. The Ledger staff has worked hard and came up with some great and unique ideas. To all the senior staff members, good luck with your future activities. Maybe you'll work on the Boston Globe one day. To the underclassmen, the Ledger is yours and I hope you make it even better than it is now.

Mrs. Casavant, the Ledger advisor, has always encouraged her staff to express their opinions in writing. She is an inspiration and the senior staff members will miss her. Hopefully the Ledger will continue to grow and have an even larger staff. Good luck Mrs. Casavant and future Ledgerians, I will miss you.

Belonging and knowing we're a part of something important. This is the feeling that being on the Student Council gives us. This year, the Student Council was made up of a wonderful group of unbelievably devoted, hard-working people. This group, with people from all different cliques, backgrounds, ages, and mentalities, worked together and in turn each member equally contributed to the augmentation of this feeling. We all have it and it's something that makes us special and sets us aside from any other organization within our school. We are blessed with an advisor who puts forth a great amount of time and effort in order to help guide us throughout the year. Together, these elements work in unison to create the most outstanding council I have ever been a part of, and fortunately have had the pleasure of leading. This year the Student Council amazed me with how much effort went into the planning and execution of events. Different from previous years, it was bluntly obvious that every single member of this council took pride in being a part of it. I am grateful that this is the group I spent my last year working with, being a part of, and leading, here at OHS. I leave confident that this group will withhold and further our council's outstanding reputation.

The Huguenot Chapter of the National Honor Society has been very busy this year, concentrating on new fundraising ideas and ways to better serve our school and Oxford community. Many members have participated in Bio-Diversity Day, which includes bird-banding with Ms. Blazis, while others have lent a hand in landscaping the courtyard, or also helped out at NJROTC inspections.

Once again, our most successful event was the Parisian-themed Sadie Hawkins Dance, titled "Paris Sur La Seine." The occasion provided a night to dance and have fun with friends. However, this fun experience may not have been as enjoyable without the help, hard work, and long hours of decoarting from each NHS member.

During the 2003-2004 year, the NHS hopes to possibly view an off-Broadway show in Boston or take an exciting trip to the Science Museum. Collectively, as a society, we continually work to think of innovative ways to make this school year one to remember.

# The Crusaders

Every high school varsity sports team goes through a period of time when it becomes necessary to rebuild. The 2003-2004 season was such a year for the Oxford NJROTC Drill Team and Color Guard. In the past, "veterans" helped out to carry the team to success as they shared their talent with the "rookies." While the Pirates still follow this successful strategy, this year our "rookies" far exceeded the number of our "veterans." This created a challenge for the Pirates Drill Team, however the team managed to maintain its winning tradition in most areas. Each cadet realizes the importance of working together and cooperating. Every cadet understands their place on the team and wants to succeed at achieving this year's goals. I guess it's safe to say we haven't slowed down yet and we don't plan to. Everybody on the team has contributed immensely and teamwork skills are higher than ever before. With the annual state and New England Championship and American Legion National Drill Tournament is still ahead, the team is upping the practice tempo to be prepared to dominate the competition. This is only the beginning.

# Select Choirs

Oxford High School once again has a select choir. Members of this choir were selected based on their auditions. Once accepted each member was required to sign a contract indicating their promise to maintain punctuality at rehearsals, as well as maintain the standard of excellence necessary to attain an exceptional performance quality. This chorus performed regularly and competed with the international standards for performance groups. This year they will attend competition in Washington, D.C. They have yet to find an audience they could not impress.

The Lady Pirates this year once again had a successful season. The team ended the season with a 13-6-2 record. Our leading scorers were Sarah Brassard and Kirtsten Doldoorian. The team was led by four captains: Amanda Listewnik, Laura Brassard, Felicia Amaral, and Lauren Grenier. We cannot forget the help from our wonderful coaches Tara Bennett and Matt Ganias, thanks for all those running practices. This team had lost 9 players from the year before and out of those were 3 seniors. We are not only a young team but all players moving up were new to the varsity level. Coming into this season we didnt expect to do well, but we proved ourselves wrong. We finished our season in the district semi finals against Hudson, although we cannot forget the battle against Groton-Dunstable in the quaterfinals.Thank you to all the players for a great season and I wish you all the best of luck in the future.

The team was led by captains Bryan Germain, Tyler Hopkins, Chris Kowal, and Chris Thompson. We had 4 league all-stars (Keith Scott, Bryan Germain, Tyler Hopkins and Chris Kowal), who show exceptional skill. Matt Brunelle, Keith Scott, and Chris Thompson anchored the defense, Bryan Germain and Jeremy Hill dominated the middle, with Tyler Hopkins up front. Greg Rioux was the defensive stopper with Chris Kowal between the posts. Tyler, 4th leading goal scorer, broke the school's single season and career scoring record. Out of all the years of soccer, Coach Albert has been there through the tough times and has been a great coach throughout the year. Overall it was a great season and good luck to next year's team.

This year's field hockey season was one to remember. Led by our six senior captains Angela Maglione, Heather Hassett, Courtney Rheault, Kristen Wagner, Meghan McGee, and Monique Porter, we really pulled together into a close-knit team and fought our way to Districts for the first time in ten years. Thanks goes out to Coach Shayna Mandella who pushed us to play our hardest and our captains who inspired us to do better. Despite our loss in the quarter-finals against Nipmuc, we had an excellent season and came out with a record of 8-8-4. We'll miss the nine seniors graduating and we hope to be successful next season.

The cross country team covered many miles this year, mostly uphill. With one new member our team was a close-knit group that worked together wonderfully. It was great to win some of our meets and we did our best even in the ones where we knew there was no hope. Coach Shattuck worked us very hard, but no one really minded because we knew he just wanted us to do our best. No one is graduating this year so we're looking forward to a very strong team next year.

For the 1st time in years, Oxford was able to produce 5 young athletes to form an official Cross Country team qualified to compete. We had an outstanding season, especially with so few members. Congratulations to Mr. Caves. He was a Worcester County All-star. A shoutout to my favorite teacher, Mr. Machado, for also earning Worcester County All-star status. Props to Mr. Aromando who was unfortunately injured which prevented him from running to become our team's third All-star. Although I'm graduating and leaving Oxford this year, I hope we made an example and set a standard to be raised next year with another winning team. There's more outstanding talent in this school than we give ourselves credit for.

This year was a great season for the Oxford JV football team. With a winning record of 6-5, we managed to defeat Northbridge, David Prouty, Worcester South, Bartlett, Nipmuc, and we even shut out our rival, the Auburn Rockets. With skilled coaching from the defensive coordinator, Jason Wilson, and the offensive coordinator, Ryan Guertin, we were able to achieve our goal of a winning season along with some big plays made by our receivers and the quarterback, Erik Osterberg. Guertin's weapon, Ray Shephard, was also a huge help to the team's success by scoring a large portion of the touchdowns, which in a number of cases determined whether we won or lost. Wilson's weapons Matt Laforce and Greg Harrington led the defense numerous times on goal line stands and when stopping several 4th down conversions. Hopefully from working hard over the summer we can improve so next year we will have a successful varsity season.

This past football season was a rebuilding period, with a majority of the team members being freshmen and sophomores. Though, for many, it was one of their first seasons cheering, each team member showed determination and talent in their motions, jumps, gymnastics, and stunting ability. When it came down to crunch time before the big competition, everyone displayed a strong dedication and willingness to work. We truly pulled it together in a very short amount of time. Led by captains Christina Curran and Christie Anderson, the team competed in the SWCL Competition, held at our very own Oxford High School, and achieved fourth place in the SWCL East division. The squad improved dramatically since the first practice, and demonstrates much potential for next year. As a squad, we would like to thank Coach Flynn, Mr. Springer, the parents, and everyone else who made this season one to remember. Personally, I would like to thank you, girls, for all the memories and good times from this past season. Good luck in the future years!

# Indoor Track

This year, the girls indoor track team fell a tad short of a great year. The focus of the girls team was less on winning and more on supporting the boys in their best year, having fun, and most importantly, forming strong bonds. The team was a lot larger than it was in previous years and the returning girls welcomed the newcomers with open arms. Showing the newcomers the ropes slightly diminished our performance, but all the hard work and lessons are bound to pay off in the outdoor season. By the end of the season the improvement was undeniable and some of the newcomers were starting to bring in points for the team. All in all, it was a wonderful experience just getting to know our teammates better. Undoubtedly, the strong bonds will pull the team together for an amazing outdoor season.

This year proved to be very successful for the boys indoor track team, taking home the SWCL title for the first time in 8 years. Our team was a dominant force lead by Doug "Caveman" Caves, our own neanderthal, Shane Binette, and the Oxford Jagger himself, Bryan Germain. We went on to dominate all the meets going undefeated, culminating the season with a SWCL title. Our team also took 2nd place in districts and 4th at the Division IV All-State meet. This has been a great experience and truly a season to remember.

This season for the JV Oxford Lady Pirates was a good season. Although we had to get to know a new coach and many freshmen joined the team, overall we had an 11-7 record. We had some tough losses, but we came out beating Pantasqua for the first time in many years. The returning players from last year were Alicia Poulin, Allyssa Masiello, Dianna McGeary, Kim Placzek, and Katie Barker.

This year started off rough for us. Our team kept changing and we were not able to go to our regular pre-season tournament in Bristol, CT due to bad weather, but that was just a minor bump in the road. Another bump in the road was having only one senior lead the team, and we did not have the experience of previous years. We had a rocky start, going 2-2 before Christmas break, but we just took off from there. Everyone worked hard each day during practice and scrimmages and before we knew it, we were working hard as a team and were the undefeated SWCL-East champions. To us, this was a major accomplishment, proving to everyone that we were not jsut another young team. Unfortunately, the season ended when we played our first district game, but it was a great season. Good luck next year girls!!!

The Oxford Boys Varsity basketball team overcame much adversity over the course of the season. As everybody knows, we had many ups and downs. However, in the end, we showed the true character of our team by advancing to the Clark Tournament Semifinal and the Semifinal of the District Tournament at WPI. Although this season was disappointing in the fact we didn't achieve our main goal, it was successful because we never quit. We finished the season 15-7 overall and 7-3 in our league. I would like to wish next year's team luck and to continue the tradition.
